

REMARKS

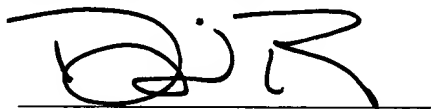

Applicants respectfully request reconsideration and allowance of this application in view of the following remarks.

Independent claims 1, 6 and 11 have been amended to further distinguish the presently claimed invention from the art of record with respect to placement of the high-side and low-side switching circuits simultaneously in an off-state. Support for these amendments can be found throughout the specification and drawings.

In view of the foregoing, the Applicants respectfully submit that this application is in condition for allowance. A timely notice to that effect is respectfully requested. If questions relating to patentability remain, the Examiner is invited to contact the undersigned by telephone.

Please charge any unforeseen fees that may be due to Deposit Account No. 50-1147.

Respectfully submitted,
